

# Gold Star Regiment Band Uniform Parts Order Form

In the Gold Star Regiment Marching Band, uniforms are provided to students including jacket, bibbers, gauntlets, and headgear. However, students are responsible for furnishing these three uniform parts due to hygiene:

- Long Black Socks
- Black Drillmaster Marching Shoes
- Long White Cotton Gloves (Wind Players Only)

In the interest of uniformity, saving on shipping costs, and receiving our orders at the same time, we are taking orders for the Drillmaster Marching Shoes and the white cotton gloves. Their prices are as follows:

- Black Drillmaster Marching Shoes - \$35  
(Sizes are Men's 3/Women's 5-Men's 10.5/Women's 12.5 [half sizes in this range]; Men's 11-16 [no half sizes in this range; available in wide sizes as well])
- Long White Cotton Gloves - \$4 (Sizes XS-XL)

These investments will last through the rest of your time in marching band if cared for wisely. Additionally, the Drillmaster marching shoes are acceptable as formal shoes for concert band/orchestra performances and will find plenty of use beyond marching band performances for a fraction of the price of formal shoes.

***Please indicate your order below and return the form below in a sealed envelope with payment to the band room drop box or to Mr. Phung.***

***Make all checks out to "CHS Gold Star Boosters."***

***Orders are due no later than Tuesday, September 5<sup>th</sup>, 2017***
